

Open shopping baskets:

- *Your shopping basket will now be saved. Should you close your browser unintentionally or because you are running out of time, you don't need to repeat the purchase process to confirm your order. The articles which have been put into the basket will be saved. When you log yourself in again, the open shopping baskets will be shown directly.*

- *The open shopping basket will be kept until you complete your purchase or empty the shopping basket.*

- *If you want to complete your purchase, just click on 'add to shopping basket'. Afterwards you can easily place the order.*
